

# **Monocacy Equine Wellness Programs**

## **1 - Basic Wellness Program**

Spring Visit #1 (Feb – Mar)

- Vaccination (Flu & Rhino, Potomac Horse Fever)
- Coggins Test
- Fecal Exam
- Physical Exam includes: Examination of heart, eyes, lungs, GI system, skin (hair and coat), and hooves; assessment of overall body condition, weight tape measurement and analysis of posture and gait. A written report is included with this exam documenting normal and abnormal findings and recommendations.

Late Spring/Early Summer Visit #2 (May – June)

- Vaccination (Potomac Horse Fever, EWE/Tetanus, and West Nile Virus)

Fall Visit #3 (Oct – Nov)

- Vaccination (Rabies and Flu & Rhino)
- Dentistry (floating + sedation)
- Recommendations for winter

## **2 - Wellness Program for the Mature Horse**

This program is for horses over 12 years of age. The program encompasses the Basic Wellness Program plus a CBC, Blood Chemistry and a second follow-up exam in the fall.

## **3 - Performance Horse Program** *(does not include vaccinations, fecal test or coggins)*

- Physical exam for soundness: includes a hands-on exam of the horses limbs, muscles and tendons. It also includes hoof-tester exam and evaluation of the horse jogging in hand, on the lunge, or under saddle or harness.
- A complete blood count and serum chemistry.
- Four digital radiographs (one AP and one Lateral of each fore foot).
- Digital photo analysis of the front hooves.
- Special discounted pricing for Legend and Adequan.
- A report will be sent to you within 7-10 days of this exam with findings and recommendations.

The radiographs and photo analysis will be useful to MEVA veterinarians and your farrier in maintaining proper hoof care and hopefully long term soundness.

All Wellness programs are priced at 15% less than list services. Call MEVA for pricing.

## Monocacy Equine Wellness Programs

The cost for these programs include only the items listed above. It does not include call- charges, other vaccines, or additional treatments and procedures that may be deemed necessary upon examination.

Additional treatments or procedures that require more time may need to be scheduled for another day.

A call fee will not be charged if three or more horses are enrolled at the same stable.

Dewormers are not included as part of the Wellness program but can be purchased or administered at a discounted rate through membership in any of the plans. All dewormers are discounted 15 %.

For your convenience, our office will call to schedule the three Wellness Program visits well in advance. You or your barn will then get a reminder call one week prior to the appointment. This advanced scheduling will allow us to provide you more timely appointments.

The program period is 1 year from date of commencement – it can be joined at any time during the year.

In order to provide the cost savings to you, the payment must be made at time of enrollment by check, cash or credit card.
